**Subject:** Last look at scientific integrity documents

**Importance:** High

Good morning David and Elise

I writing to you wearing my Science Advisor hat. Attached are draft documents under the Scientific Integrity Program that we are looking finalize and post by September 30<sup>th</sup>. These describe processes for addressing allegations and when there are differing scientific opinions. These documents have been under development by the Scientific Integrity Committee for the past year+. From OGC, CarolAnn Siciliano (when still w OGC), Tracy Shepard, and Andy Simon have all reviewed. The Administrator would like OGC to take once last look before these are finalized and posted. Could you please provide comments back to us by cob Monday Sept 28<sup>th</sup>? Let me know of any questions. Thanks

jennifer
